CONSENT FOR MEDICAL NUTRITION THERAPY

Medical Nutrition Therapy encompassing all nutrition assessment, nutrition diagnosis, nutrition interventions and nutrition monitoring considered necessary or advisable in the judgment of the Registered, Licensed Dietitian and/or the Physician. I am aware that nutrition is not an exact science, and I acknowledge that no guarantees have been made to me as to the result of interventions.

PATIENT FINANCIAL RESPONSIBILITY

This is a statement of our financial policy. You understand that you are obligated to ensure that our fees are paid in full. We will verify your coverage and bill your insurance carrier on your behalf. However, you are ultimately responsible for payment of your bill at current hourly rates, listed on services list available in-office.

You agree that you will pay any deductible and co-payment or co-insurance as determined by your insurance plan. Those payments will be due at the time of service. Many insurance companies have additional requirements or stipulations that may affect your coverage. You are responsible for any amounts not covered or payable by your insurance. If your insurance denies any part of your claim, you agree to be responsible to pay the full balance.
